

BIOMECHANICS

**ESU #3 IS PROUD TO PARTNER WITH
ASSISTOLOGY AND UNO BIOMECHANICS
TO OFFER A FUN INNOVATIVE SUMMER CAMP
YOU WON'T WANT TO MISS!**

June 22-26, 2020

8:30 - 3:00 PM

**\$150 - includes day at
UNO Biomechanics
Research Building**

**ESU #3 - 6949 S.
110th St LaVista,
NE 68128**

***Campers must bring a sack lunch
everyday - a snack will be provided**

**Assistive Technology,
Rehab Engineering,
and Universal Design
Oh My!**

ESU #3, Assistology, and UNO Biomechanics are offering 5th and 6th grade students a fun, engaging, hands-on summer camp experience. Participants will design and create a working prototype of a product that will make life easier for a person with a disability. The camp will also include a day at the UNO Biomechanics Research Building learning about the latest technology used in studying how the body moves.
