Omaha STEM Ecosystem 5 Year Stakeholder Report Summary 2016 - 2020

What's in the Summary

- 1 Overall Engagement Trends**
Overview of the rate of engagement for each of the major sectors: Academic, Business, and Nonprofit
- 2 Organization Type Trends**
Further analysis of the engagement of the various organization types within each of the major sectors
- 3 Connections are Happening**
Presents graphical representations of the changes in types of interactions within and between the sectors

OVERALL ENGAGEMENT TRENDS

- Overall engagement is steadily increasing
- Academic sector is always most prominent
 - Nonprofit sector is always second
 - Business is always third
 - Number of "others" has been reduced

Organization Type Trends*

Academic

- 4YR Colleges and Universities are consistently the most represented
- CTT are consistently the lowest
- P-12PUB continues to be the second most represented

Business

- Increased involvement in all three types in the past two years
- No type is consistently the most represented
- BUS >200 Employees have shown the most growth over the 5 years

Nonprofit

- YSOs are consistently the most represented
- COs, SCML, and GOV are all decreasing
- 2020 showed either sustainment or growth for CF, FBO, NO, YSO and MIL
