

As our industries struggle to remain competitive in a world market and our educators struggle to prepare our students for career that may not even exist yet; it is becoming apparent to executives and teachers that education and industry must work together. The problems we face in both domains require cooperation from all. (ascd.org)

LET'S NOT DELAY. LET'S BEGIN TODAY. WE NEED YOUR HELP!

- When:** August 8th and 9th
- Time:** 3 hours in the afternoon
- Who:** 3 to 5 educators matched with a professional(s)
- Where:** At your business in any department. We will match the educator(s) with the mentor's expertise/department.
- Why:** This experience will assist teachers to adapt their classroom lessons with open ended, problem solving, real world experiences.
- Contact:** Delayne Havlovic; delayne.havlovic@ops.org 531-299-9503
