

STEM AFTER SCHOOL

FEBRUARY 4, 10AM-11AM ET

Speakers:

Patti Curtis, Noyce/Lettvin STEM Education Fellow, U.S. Dept. of ED
Miriam Lund, Group Leader, 21st Century Community Learning Centers, OESE, U.S. Dept. of ED

Jodi Grant
Executive Director
Afterschool Alliance

Chris Neitzey
Director, STEM initiatives
Afterschool Alliance

Daniela Grigioni
Executive Director
After-School All-Stars DC

Discussion:

How much STEM is there in afterschool programs? What does it look like? Does it help? And how do we know? Learn the about the latest research in regarding STEM in out of school settings.

For those that cannot join us in person, we will be live streaming and archiving the event [here](#). If you have questions for the speakers during the briefing, please email them to Patti.Curtis@ed.gov. Non-ED staff, in person guests, and those needing accommodations, please RSVP to Patti.Curtis@ed.gov
