

POLLINATORS & PAPERBACKS

Linking Science and Literature

Join us as we investigate ways to use literature books to engage children in meaningful interdisciplinary lessons. We will connect literature books with simple, long-term science investigations.

February 11th, 2020

6pm-9pm

Elkhorn Valley Museum

515 Queen City Blvd, Norfolk Ne

Participants will receive:

- pollinator related, science-focused lessons
- pollinator-related literature books
- Insect ID Field Guide
- 3 hours of approved in-service

Who Should Attend:

This workshop is specifically for preschool aged formal and informal educators and day care providers.

To register please email

Jamie.bachmann@nebraska.gov with your full name, grades you work with, subjects taught and phone number.
